7) Consequent on the responsibilities involved, the municipal Council has proposed to give the Assistant octroi Superintendent the grade pay of Rs 130-8-170. Having regard to the grade proposed and the idea for the eventual absorption of the Assistant as octroi Superintendent who will have to be in charge of the emporium-Brand which has now an income round about Rs 7 Lakhs with a marked tendency to show further increase year by year, a graduate official with a Second Experience of municipal affairs and administration will have to be necessarily appointed as such, if the proposal is accepted

(Through the President)

Sir,

Subject - Creation of the post of the Assistant Octroi Superintendent

I write to state that, at present, the Octroi and the Toll establishment of the Municipality is in charge of an officer of the grade pay of Rs 150-10-200/EB 20-300, designated as the Octroi Superintendent The nature of the work involves both indoor and outdoor work consisting of inspection of all the 18 toll gates of the city and surprise checks in untimely hours After an inspection round, the officer has to attend to the work in the Octroi Office in connection with the assessment and recovery of octroi duty on articles brought to the Octroi office and also regulate the export of dutiable goods imported and kept in deposit in the bonded ware-house The Octroi Superintendent has also to arrange for the remittance of the Octroi and Toll amounts realized every day to the Mysore Bank direct

2 The present Officer has been no doubt efficiently managing the section But still it has not been possible to avoid repeated complaints of delays in assessment at the Octroi office and of the issue of export passes, when the Octroi Superintendent cannot be available in office on account of outdoor duty The question of minimising the complaints on the one hand and finding a suitable

Successor to the present Octroi Superintendent Sri S Siddappa when he retires on 9-6-1954 was engaging the attention of the Council for sometime past The Council resolved at their meeting held on 19-10-1951 for the creation of an Assistant Octroi Superintendent to assist the present Octroi Superintendent and also to get training in the work of the Octroi Section Accordingly a proposal to have an officer of the cadre of I grade Chief Officer was placed before the Budget meetings of the Managing Committee and Council The question was considered with reference to the revenue under octroi during the recent years which has come to Rs 7,00,000 during the year 1951-52 and is on the increase It was the view of the Council, that when there is so much of income to the Municipality from this source of revenue, it was incumbent on the Council to provide the required staff to avoid the corplaints from persons waiting at the Octroi Office and to enable the Octroi Superintendent to pay greater attention to the out-door duty with a view to detection of smuggling etc

The Council have therefore supported the recommendation of the Managing Committee approving the proposal for the appointment stated above Necessary provision has also been made in the Budget Estimate of the Municipality for 1952-53

In enclosing herewith the copies of the resolution as also the proposal ion statement in triplicate, I request that orders of Government may kindly be obtained sanctioning the post of an Assistant Octroi Superintendent of the grade pay of I grade Chief Officer viz , Rs 130-8-170 to this Municipality

Yours faithfully,

(F M Abdul Rahim)
Municipal Commissioner.
